RE: 20-2223 United States v. Waylon Young Bird

Dear Mr. Young Bird:

The district court clerk has transmitted a notice of appeal in this matter, and we have docketed it under the caption and case number shown above. Please include the caption and the case number on all correspondence or pleadings submitted to this court.

Counsel in the case must supply the clerk with an Appearance Form. Counsel may download or fill out an [Appearance Form](#) on the "Forms" page on our web site at www.ca8.uscourts.gov.

Your appeal is being referred to the court, and no briefing schedule will be established at this time. No additional pleadings are required from you. Our office will advise you of any action taken in your case.

The court will consider the case on the original file of the district court, and you do not need to file any additional record materials. If a transcript is required, you should file a motion with this court seeking preparation of a transcript at government expense. Your motion should specify what portions of the transcript you wish to have prepared and it should provide an explanation as to why these portions are necessary for the appeal. Please note that motions for appointment of counsel are rarely granted in pro se civil cases.

On June 1, 2007, the Eighth Circuit implemented the appellate version of CM/ECF. Electronic filing is now mandatory for attorneys and voluntary for pro se litigants proceeding without an attorney. Information about electronic filing can be found at the court's web site www.ca8.uscourts.gov. In order to become an authorized Eighth Circuit filer, you must register with the PACER Service Center at <https://www.pacer.gov/pSCO/cgi-bin/cmeCF/ea-regform.pl>. Questions about CM/ECF may be addressed to the Clerk's office.

Please note that service by pro se parties is governed by Eighth Circuit Rule 25B. A copy of the rule and additional information is attached to the pro se party's copy of this notice.

If you have any questions about the procedures for the case, please contact our office.

Michael E. Gans
